

Marie Kondo Inspired KonMari Checklist by Livible

Marie Kondo teaches the best way to apply KonMari to your own life and home is following this 4-step tidying plan: (1) Clothes, (2) Books, (3) Komono (aka Miscellaneous) and (4) Sentimental. We've broken down each of these steps into a handy checklist you can use to guide your own Marie Kondo inspired decluttering journey! Start at the top and work your way through, and with each new category and each item ask yourself "does it bring me joy?" if the answer is "no", get rid of it! If the answer is "yes" or "maybe" either find a place for it in your home or store it with Livible until you want it!
